A WARNING TO MANY Some Interesting Facts. Regarding Health Statistics

Few people realize to what extent their health depends upon the con-dition of the kidneys.

The physician in nearly all cases of serious illness, makes a chemical analysis of the patient's urine. He knows that unless the kidneys are doing their work properly, the other organs cannot be brought back to health and strength.

When the kidneys are neglected or abused in any way, serious re-sults are sure to follow. According William File, of Beckley, Va., has been announced. The wedding will take place at the bride's home Sepa. 12th.
